

# **2021-22 ANNUAL REVIEW**

TIMOTHY L. JOHNSON ACADEMY MIDDLE SCHOOL

#### **Evaluated By:**

Lindsay Omlor, Director of Charter Schools
Emily Gaskill, Assistant Director of Accountability
Brenda Mescher, Assistant Director of Community Connections and Compliance

**Education One, L.L.C.** 

TABLE OF CONTENTS			
Part I: Academic Performance	3		
Is the school's educational program successful?			
Part II: Financial Performance	18		
Is the school in sound fiscal health?			
Part III: Organizational Performance	21		
Is the school effective and well run?			
Part IV: School Climate	30		
Is the school providing appropriate conditions for student, family, and staff success?			
Part V: Next Steps	31		
Does the school or organization require interventions moving forward?			

#### **OVERVIEW**

In order to ensure its schools are operating at the highest level possible, Education One conducts an Annual Review for each school, specifically assessing the school's performance in each indicator found in their Accountability Plan Performance Framework (APPF). Indicators measure the school's Academic, Financial, and Organizational capabilities. Quantitative and qualitative data is gathered throughout the year from document submissions, routine site visits, assessment results, and survey conclusions.

Evidence of each indicator's ratings is reported to the school's Board of Directors during regularly scheduled board meetings throughout the school year, when data is available. Through continuous monitoring, Education One is able to identify trends in data over time, address key areas of concern, and highlight successes on a more frequent basis. While the process involves a significant time commitment, Education One believes that this high level of accountability, coupled with strong collaboration, will support its schools to best meet the needs of the student populations served.

Annual Review reports are presented to key stakeholders, including, but not limited to: School Board Chair, School Leader, and EMO/Superintendent (*if applicable*). A final copy of each school's Annual Review is posted on Education One's website, <a href="https://www.education1.org">www.education1.org</a>, for public viewing.

### Part I: Academic Performance

The Academic Performance review gauges the academic success of the school in serving its target populations and closing equity gaps. Part I of the Annual Review consists of various indicators designed to measure success of local, state, and federal academic standards and goals. All indicators are noted in the school's Accountability Plan Performance Framework.

Overall Rating	Year 1	Year 2	Year 3
for Academic	2021-22	2022-23	2023-24
Performance	Approaching Standard		

Is the school's educational program successful?					
Exceeds Standard	The school consistently and effectively complies with and presents no concerns in the indicators below.				
Performance	Meets Standard	The school complies with and presents no concerns in the indicators below.			
Rubric	Approaching Standard	The school presents concerns in some of the indicators and may or may not have a credible plan to address the issues.			
	Does Not Meet Standard	The school presents concerns in a majority of the indicators and may or may not have a credible plan to address the issues; or the school requires an Improvement Plan.			

	Accountability Plan Performance Framework Indicators	Year 1	Year 2	Year 3
	<u>Instruction</u>	MS		
	<u>Attendance</u>	AS		
	Legacy Student Achievement on Benchmark Assessment (Reading and Math)	DNMS		
Local Academic	Subgroup Student Achievement on Benchmark Assessment (Reading and Math)	DNMS		
Performance	Growth on Benchmark Assessment (Reading)	AS		
	Growth on Benchmark Assessment (Math)	MS		
	Subgroup Growth on Benchmark Assessment (Reading)	AS		
	Subgroup Growth on Benchmark Assessment (Math)	MS		
	State Accountability Grade	N/A		
	State Assessment Participation Rate	MS		
	Legacy Student Achievement on Summative Assessment (Reading and Math)	N/A		
State Academic Performance	Subgroup Student Achievement on Summative Assessment (Reading and Math)	N/A		
1 cricimanos	Growth on Summative Assessment (Reading and Math)	N/A		
	Subgroup Student Growth on Summative Assessment (Reading and Math)	N/A		
	Comparison to Local Schools	DNMS		
	Federal Accountability Rating	N/A		
Federal	Model Attendee	N/A		
Academic Performance	Closing Achievement Gaps	N/A		
	Language Proficiency for English Learners	N/A		

#### LOCAL ACADEMIC PERFORMANCE

**Instruction:** Education One measures and evaluates Instruction during regularly scheduled site visits. During these visits, classroom walkthroughs are conducted, assessing the following instructional best practices:

- Instructional delivery possesses the appropriate level of rigor and relevance, whereas rigor is defined as complexity and relevance is defined as culturally affirming;
- Instructional activities use differentiated strategies to meet the individual needs of most learners;
- Checks for understanding are appropriately implemented throughout the lesson;
- Students receive timely, growth oriented feedback from the teacher to improve their instructional practices;
- Classroom management supports content delivery;
- Techniques are implemented to increase active engagement of most learners;
- Instruction is based on core learning objects and grade level standards; and
- The curriculum is implemented according to its design.

Classroom observation data is compiled to identify overarching trends across the school, both in commendations and recommendations. The school receives points (1-4) for each area observed based on the percentage of classrooms showing a concern. Points are then weighted based on the effect size the component has on student achievement and growth. The school's overall rating coincides with the sum of those weighted points. The rubric for Instruction is as follows:

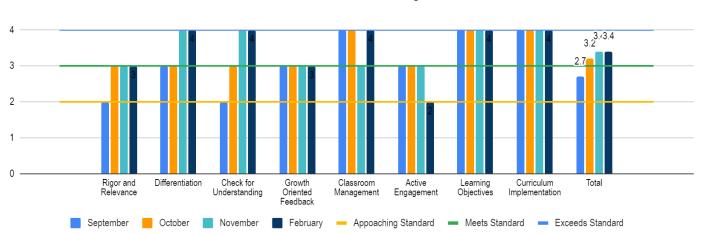

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The school receives a score of 4.	The school receives a score within the range of 3.0-3.9.	The school receives a score within the range of 2.0-2.9.	The school receives a score within the range of 1.0-1.9.

The following table provides data collected throughout the 2022-21 school year and indicates the percentage of classrooms that showed a concern in each observable best practice. Boxes highlighted in yellow indicate an area that was a concern in at least a half of the classrooms observed and were recommended as areas of possible focus and/or improvement with the school's leadership team and Board of Directors during regularly scheduled site visits and board meetings.

	2021-22 Site Visit Percentage of Classrooms Showing a Concern								
	Rigorous and Relevant Delivery	Differentiated Strategies	Checks for Understanding	Timely, Growth Feedback	Classroom Management	Active Engagement	Learning Objectives and Standards	Curriculum Implementation	
Sept.	42.9%	14.3%	42.9%	14.3%	0.0%	42.9%	0.0%	0.0%	
Oct.	28.6%	14.3%	14.3%	28.6%	0.0%	14.3%	0.0%	0.0%	
Nov.	28.6%	0.0%	0.0%	14.3%	14.3%	14.3%	0.0%	0.0%	
Jan.	Site Visit Canceled due to COVID-19								
Feb.	16.7%	0.0%	0.0%	16.7%	0.0%	33.3%	0.0%	0.0%	

The following graph illustrates the progress of each best practice throughout the year based on the percentage of classrooms that showed a concern. Consistent with the Instruction rubric, an area receiving a minimum of a '3' would be meeting standard.

**TLJA MS Instruction Rating** 

Based on the qualitative and quantitative evidence collected throughout the 2021-22 school year, Timothy L. Johnson Academy Middle School (TLJA MS) receives a rating of Meets Standard according to the school's Accountability Plan Performance Framework.

**Attendance:** Starting at the age of seven, students in Indiana are required to attend school regularly. The Indiana Department of Education (IDOE) defines habitual truancy as ten or more days absent from school, meaning students are required to attend school for 95% of the 180 days in a school year. The rubric for Attendance is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school's attendance rate is 95.0% or greater.	The school's attendance rate is between 90.0 and 94.9%.	The school's attendance rate is less than 90.0%.

The table below identifies the average attendance rate per grade level and the school's overall average attendance. TLJA MS had an average attendance rate of 93.2% and is **Approaching Standard** according to the school's Accountability Plan Performance Framework.

Attendance Breakdown					
SixthGrade	93.5%	×			
Seventh Grade	93.8%	×			
Eighth Grade	92.1%	×			
Whole School	×				
<b>Key:</b> ✓ = Meets Standard, × = Approaching Standard, × = Does Not Meet Standard					

Legacy Student Achievement on Benchmark Assessment: The success of the schools implementation of its educational model and programming is measured by analyzing the achievement results of legacy students attending the school. A legacy student is defined as having attended the school for a minimum of two years.

Education One requires all schools in its portfolio to measure student progress multiple times throughout the school year using an assessment tool selected by the school. TLJA MS utilized the Northwest Evaluation Association (NWEA) tool Measures of Academic

Progress (MAP) during the 2020-21 school year. This computer adaptive assessment assesses students in reading and math and is aligned to grade level standards.

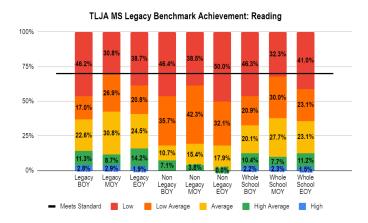

Individual ratings for both reading and math achievement of legacy students are reported on an annual basis, utilizing end of year assessment results. The rubric for this sub-indicator is as follows:

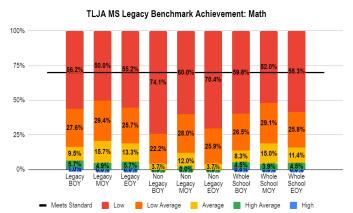

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
80.0% or more of legacy students demonstrated grade level	70.0-79.9% of legacy students demonstrated grade level	60.0-69.9% of legacy students demonstrated grade level	Less than 60% of legacy students demonstrated grade level
proficiency according to benchmark assessment standards.			

During the 2021-22 school year, TLJA MS gave its benchmark assessment in the fall, winter, and spring. These results were consistently collected, analyzed, and discussed to identify areas of immediate improvement and/or celebration. The 'Average,' 'High Average,' and 'High' categories signify students who demonstrated grade level proficiency. However, these categories represent percentile rankings. An increase in the percentage of students in these categories indicates that students outgrew their academic peers enough to obtain higher achievement scores. A decrease in the percentage of these categories would then signify that students did not grow enough to maintain similar achievement levels as their academic peers. It does not mean that students went backwards in their achievement.

At the beginning of the year, 36.8% of TLJA MS legacy students were performing on grade level in reading and 16.2% in math. These percentages both increased by the end of the year to 40.6% in reading and 19.0% in math. The following table and graphs illustrate the achievement of legacy students in reading and math for the 2021-22 school year, compared to their non-legacy peers and the school's overall achievement percentage.

	Reading			Math		
	BOY Achievement	EOY Achievement	Change	BOY Achievement	EOY Achievement	Change
Legacy Students	36.8%	40.6%	+3.8%	16.2%	19.0%	+2.8%
Non-Legacy Students	17.9%	17.9%	0.0%	3.7%	3.7%	0.0%
Whole School	32.8%	35.8%	+3.0%	13.6%	15.9%	+2.3%

The following tables indicate the percentage of students enrolled at TLJA MS for at least two years, by grade level and whole school, that met achievement targets on the end of the year benchmark assessment in reading and math.

Reading						
Grade Level	Number of Legacy Students	Number of Legacy Students with Grade Level Achievement	Percentage of Grade Level Achievement Legacy Students	Achievement Target Rating		
Sixth Grade	47	20	42.6%	×		
Seventh Grade	29	12	41.4%	×		
Eighth Grade	30	11	36.7%	×		
Whole School	106	43	40.6%	X		
Key	r: ✓= Exceeds Standard, ✓= Me	eets Standard, × = Approaching S	Standard, 🗶 = Does Not Meet Sta	ndard		

Math							
Grade Level	Number of Legacy Students	Number of Legacy Students with Grade Level Achievement	Percentage of Grade Level Achievement Legacy Students	Achievement Target Rating			
Sixth Grade	45	8	17.8%	×			
Seventh Grade	28	6	21.4%	×			
Eighth Grade	31	6	19.4%	×			
Whole School	105	20	19.0%	×			
<b>Key:</b> ✓= Exceeds Standard, ✓= Meets Standard, メ= Approaching Standard, メ= Does Not Meet Standard							

<u>Reading:</u> 40.6% of legacy students were considered proficient on the reading NWEA assessment. Therefore, the school receives a rating of **Does Not Meet Standard**, according to the school's Accountability Plan Performance Framework.

<u>Math:</u> 19.0% of legacy students were considered proficient on the math NWEA assessment Therefore, the school receives a rating of **Does Not Meet Standard**, according to the school's Accountability Plan Performance Framework.

**Subgroup Student Achievement on Benchmark Assessment:** Successful implementation of the educational model is also monitored by analyzing the results of the school's represented subgroups to ensure equitable opportunities are provided for all students enrolled and achievement gaps are closing. The school receives separate annual ratings in reading and math for each of the following subgroups with 20 or more students, based on benchmark assessment results:

- Economically Disadvantaged;
- English Learner;
- Gender;
- Race; and
- Special Education

The rubric for this sub-indicator is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The percentage of students in the identified subgroup increased overall achievement by more than 15.0% from beginning of the year to end of the year.  OR  80.0% or more of students in the identified subgroup demonstrated grade level achievement at the end of the year, according to benchmark assessment standards.	The year.  OR  70.0-79.9% or more of students in the identified subgroup demonstrated grade level	the year.  OR  60-69.9% or more of students in the identified subgroup demonstrated	end of the year.  OR  Less than 60.0% of students in the identified subgroup demonstrated grade level achievement, according

The following table illustrated the achievement of each subgroup of students in reading and math for the 2021-22 school year based on beginning and end of year assessment results. Data for subgroups with less than 20 students is suppressed for confidentiality purposes.

	Subgroup Breakdown								
Subgroup	Pop. %		Reading				Math		
		% of BOY Grade Level Achievement Legacy Students	% of EOY Grade Level Achievement Legacy Students	Change	Achievement Target Rating	% of BOY Grade Level Achievement Legacy Students	% of EOY Grade Level Achievement Legacy Students	Change	Achievement Target Rating
F/R Lunch	100%	36.8%	40.6%	+3.8%	×	16.2%	19.0%	+2.9%	×
English Learner	70.8%	37.3%	40.0%	+2.7%	×	19.7%	19.7%	+0.0%	×
Female	50.9%	44.4%	44.4%	+0.0%	×	17.0%	22.6%	+5.7%	×
Male	49.1%	28.8%	36.5%	+7.7%	×	15.4%	15.4%	+0.0%	×
Asian	67.9%	36.1%	38.9%	+2.8%	×	16.9%	18.1%	+1.2%	×
Black	21.7%	30.4%	39.1%	+8.7%	×	4.8%	19.0%	+14.2%	~
	Key:	✓= Exceeds Standa	ard, ✔= Meets Sta	ndard, 🗶	- - Approaching S	tandard, × = Does	Not Meet Standard		

Reading: Overall, the school receives a rating of **Does Not Meet Standard**, according to the school's Accountability Plan Performance Framework. Most subgroups did not meet the target percentage of students achieving grade level status or increased enough from the beginning of the year to the end of the year.

<u>Math:</u> Overall, the school receives a rating of **Does Not Meet Standard**, according to the school's Accountability Plan Performance Framework. Most subgroups did not meet the target percentage of students achieving grade level status or increased enough from the beginning of the year to the end of the year.

**Growth on Benchmark Assessment:** Education One analyzes the percentage of students who meet or exceed growth targets established by the school's benchmark assessment. Students included in this percentage took the benchmark assessment at the beginning and end of the year. The school receives separate annual ratings for both reading and math. The rubric for this sub-indicator is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
60.0% or more of students met or exceeded established growth targets.	50.0-59.9% of students met or exceeded established growth targets.	40.0-49.9% of students met or exceeded established growth targets.	Less than 40.0% of students met or exceeded established growth targets.

The following tables indicate the percentage of students that met growth targets by the end of the year benchmark assessment in reading and math.

	Reading					
Grade Level	Number of Students	Number of Students Meeting Growth Target	Percentage of Students Meeting Growth Target	Growth Target Rating		
Whole School	135	67	49.6%	×		
Sixth Grade	59	34	57.6%	<b>✓</b>		
Seventh Grade	37	13	35.1%	×		
Eighth Grade	39	20	51.3%	V		
Key:	Key: ✓ = Exceeds Standard, ✓ = Meets Standard, × = Approaching Standard, × = Does Not Meet Standard					

		Math		
Grade Level	Number of Students	Number of Students Meeting Growth Target	Percentage of Students Meeting Growth Target	Growth Target Rating
Whole School	131	78	59.5%	<b>V</b>
Sixth Grade	56	34	60.7%	<b>✓</b>
Seventh Grade	35	20	57.1%	<b>V</b>
Eighth Grade	40	24	60.0%	<b>V</b>
Key:	✓= Exceeds Standard, ✓= Me	ets Standard, × = Approaching S	Standard, 🗶 = Does Not Meet Sta	andard

<u>Reading:</u> 49.6% met growth targets on the reading NWEA assessment. Therefore, the school receives a rating of **Approaching Standard** according to the school's Accountability Plan Performance Framework.

<u>Math:</u> 59.5% met growth targets on the math NWEA assessment. Therefore, the school receives a rating of <u>Meets Standard</u> according to the school's Accountability Plan Performance Framework.

**Subgroup Student Growth on Benchmark Assessment:** Growth is also measured through the lens of subgroups served at the school. The school receives separate annual ratings in reading and math for each of the following subgroups with 20 or more students, based on benchmark assessment results:

- Economically Disadvantaged;
- English Learner;
- Gender;
- Race; and
- Special Education

The rubric for Subgroup Student Achievement on Benchmark Assessment is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
60.0% or more of students met or exceeded established growth targets.	50.0-59.9% of students met or exceeded established growth targets.	40.0-49.9% of students met or exceeded established growth targets.	Less than 40.0% of students met or exceeded established growth targets.

The following table illustrates the growth made by each subgroup of students in reading and math for the 2021-22 school year based on end of year assessment data and how those percentages rate against the indicator's rubric. Data for subgroups with less than 20 students is suppressed for confidentiality purposes.

Subgroup Breakdown					
Subgroup	Pop. %	Rea	ding	Ma	th
		Percentage of Students Meeting Growth Target Rating		Percentage of Students Meeting Growth Target	Growth Target Rating
Whole School	100%	49.6%	×	59.5%	<b>V</b>
Free/Reduced Lunch	100%	49.6%	×	59.5%	<b>V</b>
English Learner	70.8%	47.4%	×	55.7%	<b>V</b>
Female	50.9%	55.2%	<b>V</b>	67.7%	<b>V</b>
Male	49.1%	44.1%	×	52.2%	V
Asian	67.9%	48.9%	×	54.9%	<b>V</b>
Black	21.7%	58.6%	V	66.7%	V
Key:	✓= Exceeds	Standard, ✓= Meets Standa	ırd, <b>メ</b> = Approaching Standar	d, <b>メ</b> = Does Not Meet Standa	rd

<u>Reading:</u> Overall, the school receives a rating of <u>Approaching Standard</u> according to the school's Accountability Plan Performance Framework. All subgroups were approaching the percentage of students meeting growth targets, with the exception of Black scholars, who met standard.

<u>Math:</u> The school receives a rating of **Meets Standard**. All of the identified subgroups met or exceeded the target percentage of students meeting growth targets.

#### STATE ACADEMIC PERFORMANCE

**State Accountability Grade:** Indiana has established a student-centered accountability system to calculate a letter grade given to each school. The grade encomposses the results from three domains: achievement, growth, and multiple measures. Each domain has its own indicators that make up a final score. The letter grade given to the school is a sum of those final scores weighted, based on the grade levels served within the school. For more information, including the history of Indiana's Student-Centered Accountability from the Indiana Department of Education, click <a href="here">here</a> Education One's rubric for the State Accountability Grade is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The school received an 'A' or 'B' for the most recent school year.	The school received a 'C' for the most recent school year.	The school received a 'D' for the most recent school year.	The school received an 'F' for the most recent school year OR received a 'D' for at least two or more consecutive years.

Indiana's General Assembly passed legislation during the 2019 session to hold schools harmless for accountability grades for the 2018-19 and 2019-20 school years due to the newly implemented ILEARN assessment, the results of which drive many of the indicators found in the accountability system's performance and growth domains. Schools, therefore, cannot get a lower grade in 2018-19 or 2019-20 than they had in the 2017-18 school year. Similar legislation was also passed for the 2020-21 and 2021-22 school years due to the COVID-19 pandemic. State Accountability Grades are awarded to schools in the fall of the next school year.

Accountability grades were not awarded to schools for the 2020-21 school year due to the COVID-19 pandemic. With no opportunity to increase or maintain previous accountability grades, the school receives a rating of **Not Applicable**.

**State Assessment Participation Rate:** The participation rate describes the percentage of students who completed the state mandated summative assessment. It is used for state and federal reporting and accountability determinations. The rubric for State Assessment Participation Rate is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
95.0-100% of students enrolled in testing grades participated in the most current state summative assessment.	85.0-94.9% of students enrolled in testing grades participated in the most current state summative assessment.	Less than 85.0% of students enrolled in testing grades participated in the most current state summative assessment.

TLJA MS had a participation rate of 100% for both English/Language Arts and math assessments. The school receives a rating of **Meets Standard.** 

**Legacy Student Achievement on Summative Assessment:** Education One measures the school's educational model by comparing the percentage of students achieving grade level proficiency to the state's results. Students included in the percentage used for comparison are legacy students, as defined above in local academic performance. The rubric for Legacy Student Achievement on Summative Assessment is as follows:

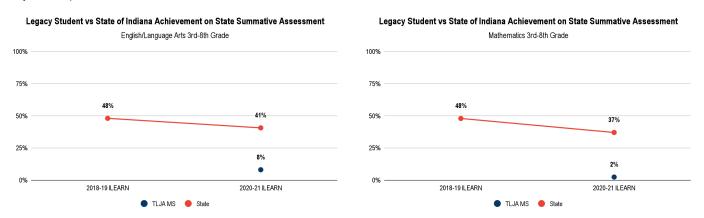

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The percentage of legacy students achieving grade level proficiency is greater than the state's percentage.	within 0-10 0% of the state's		

The previous state summative assessment, the Indiana Statewide Testing for Educational Progress-Plus (ISTEP+), was replaced by Indiana Learning Evaluation Assessment Readiness Network (ILEARN) in 2018-19. Indiana students, in grades three through eight, experienced an overall decrease in grade level achievement of 16.3% in English/Language Arts and 10.5% in math after the first administration of the ILEARN assessment due to the combination of the rigors associated with the assessment and newly established performance cuts.

The 2019-20 ILEARN assessment administration was canceled due to the school closures caused by the COVID-19 pandemic. In 2020-21, schools across the state of Indiana were tasked to complete year end summative assessments to be able to provide results that would indicate the levels of learning lost due to school closures and the COVID-19 pandemic, not to hold schools accountable for results. 40.5% of students in grades three through eight were proficient in English/Language Arts and only 36.9% of students were proficient in math.

The corresponding charts illustrate trend data for legacy students' achievement compared to the state of Indiana during the time that Education One has authorized the school. TLJA MS had no legacy students that took the 2018-19 ILEARN as that was the school's first year of operation.

<u>English/Language Arts:</u> In Indiana, 40.5% of students in grades 3-8 met or exceeded grade-level standards on the 2021 English/Language Arts ILEARN assessment. At TLJA MS, 8.0% of legacy students in grades 3-8 met or exceeded grade-level standards on the 2021 English/Language Arts ILEARN assessment.

Math: In Indiana, 36.9% of students in grades 3-8 met or exceeded grade-level standards on the 2021 Mathematics ILEARN assessment. At TLJA MS, 2.3% of legacy students in grades 3-8 met or exceeded grade-level standards on the 2021 Mathematics ILEARN assessment.

Schools across the state of Indiana were tasked to complete year end summative assessments to be able to provide results that would indicate the levels of learning lost due to school closures and the COVID-19 pandemic, not to hold schools accountable for results. For that reason, Education One will be providing a rating of **Not Applicable** for all state summative results from the 2019-20 and 2020-21 school years.

Subgroup Student Achievement on Summative Assessment: Similar to legacy student achievement, Education One compares the percentage of students in each subgroup served at the school who met or exceeded grade level standards to the state's percentage of each similar subgroup. This indicator measures how successful the implementation school's educational model is in serving special populations found in the community that may be underrepresented across the state as a whole. The rubric is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The percentage of students in the identified subgroups demonstrating grade level achievement is greater than the state's percentage.	The percentage of students in the identified subgroups demonstrating grade level achievement is within 0-10.0% of the state's percentage.	The percentage of students in the identified subgroups demonstrating grade level achievement is within 10.1-20.0% of the state's percentage.	The percentage of students in the identified subgroups demonstrating grade level achievement is more than 20.0% from the state's percentage.

The following tables illustrate the percentage of students that met or exceeded grade level standards on the state summative assessment by subgroup for the 2020-21 school year. Data for subgroups with less than 20 students is suppressed for confidentiality purposes.

	Subgroup Breakdown: English/Language Arts ILEARN 3-8							
Subgroup	School Population %	School % of Students Meeting or Exceeding Standards	State Population %	State % of Students Meeting or Exceeding Standards	Difference	Rating

<b>Key:</b> ✓= Exceeds Standard, ✓= Meets Standard, × = Approaching Standard, × = Does Not Meet Standard						

Similar to Legacy Student Achievement, schools will not be held accountable for the results of the 2021 state assessments and Education One will be providing a rating of **Not Applicable** for subgroup achievement and how applicable percentages compare to the state of Indiana.

**Growth on Summative Assessment:** Under the Indiana Growth Model, the Indiana Department of Education compares each student's growth on the state summative assessment from one year to the next and determines whether students made low, average, or high growth when compared to their academic peers. For more information, click <a href="here">here</a>. To measure student growth overall, Education One uses the school's median growth percentile (MGP), which summarizes student growth percentiles by ordering individual student growth percentiles from lowest to highest, and identifying the midd score, or the median. MGPs range from 1 (lowest) to 99 (highest). An MGP of 50 indicates average growth. The rubric is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	<b>Does Not Meet Standard</b>
The school's Median Growth Percentile is 75 or more (top quartile).	The school's Median Growth Percentile is between 50 and 74.9.	The school's Median Growth Percentile is between 25 and 49.9.	The school's Median Growth Percentile is less than 25 (bottom quartile).

Growth data was not publicly released by the state of Indiana for the 2021 state summative assessment. Therefore, the TLJA MS receives a rating of **Not Applicable**.

**Subgroup Student Growth on Summative Assessment:** Education One measures the success of the school's educational model by analyzing the percentage of students in each of the school's represented subgroups who are on target to become proficient or maintain proficiency of English/Language Arts and Mathematics standards based on growth exhibited. Student growth percentiles are used to determine whether students are making adequate growth annually to make these targets. The rubric for this sub-indicator is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The percentage of students in the identified subgroup who are on target to become proficient or maintain proficiency is greater than the state's percentage.	The percentage of students in the identified subgroup who are on target to become proficient or maintain proficiency is within 0-10.0% of the state's percentage.	The percentage of students in the identified subgroup who are on target to become proficient or maintain proficiency is within 10.1-20.0% of the state's percentage.	The percentage of students in the identified subgroup who are on target to become proficient or maintain proficiency is more than 20.0% from the state's percentage.

Growth data was not publicly released by the state of Indiana for the 2021 state summative assessment. Therefore, the TLJA MS receives a rating of **Not Applicable** for Subgroup Student Growth on Summative Assessment.

Comparison to Local Schools: Education One compares its portfolio schools to surrounding community schools that serve students with similar demographics and are within 10 miles of the school's location to ensure the charter school is providing a quality choice to the community. Achievement and growth results from the state summative assessment are utilized to identify how Education One schools are performing against their comparative local schools. The following table indicates the comparison schools for TLJA MS based on subgroups served and location.

School Name	Economically Disadvantaged	English Learner	Special Education	Location
Timothy L. Johnson Academy MS	82.4%	50.4%	11.8%	-
School #1	80.8%	10.8%	19.0%	4.8 miles
School #2	83.1%	30.0%	11.1%	2.3 miles

To meet standard, a school's overall performance in both achievement and growth outpaces the comparison schools at least 75% of the time. The rubric for Comparison to Local Schools is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school's overall performance in proficiency and growth outpaces comparison schools 75.0-100% of the time.	The school's overall performance in proficiency and growth outpaces comparison schools 50.0-74.9% of the time.	The school's overall performance in proficiency and growth outpaces comparison schools less than 50.0% of the time.

The following table identifies the performance measures that TLJA MS outperformed comparison schools, which are highlighted in green. As previously stated, only achievement data for the 2021 state assessment was publicly released, making it the only performance measure that can be compared. TLJA MS's proficiency outpaced comparison schools 0.0% of the time in 2021. Education One notes that there are no local schools that meet the requirements of what would be considered a similar English Learner demographic (within 10% of the school's percentage). TLJA MS receives a rating of **Does Not Meet Standard**, according to the school's Accountability Plan Performance Framework, based on achievement results only.

School Name	English/Language Arts Achievement %	Math Achievement %	English Language Arts Growth % or MGP	Math Growth % or MGP
Timothy L. Johnson Academy MS	8.0%	2.3%	N/A	N/A
School #1	16.6%	10.1%	N/A	N/A
School #2	24.5%	11.0%	N/A	N/A

#### FEDERAL ACADEMIC PERFORMANCE

**Federal Accountability Rating:** In accordance with Every Student Succeeds Act (ESSA), Indiana developed a federal accountability system to drive student success where each school's performance is measured in relation to the respective statewide performance goals, and reflected by the following designations:

- Exceeds Expectations
- Meets Expectations
- Approaches Expectations
- Does Not Meet Expectations

The performance of all indicators is combined to determine the overall annual performance rating of the school. To learn more about Indiana's federal accountability system and ESSA click <a href="here">here</a>. The rubric for Federal Accountability Rating is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The school received a rating of Exceeds Expectations.	The school received a rating of Meets Expectations.	The school received a rating of Approaches Expectations.	The school received a rating of Does Not Meet Expectation for the most recent school year <b>OR</b> received a rating of Approaches Expectations for at least two or more consecutive years.

No ratings were released for the 2020-21 school year. Therefore, the school receives a rating of **Not Applicable**.

**Model Attendee:** The state's student attendance goal measures whether students are considered "model attendees." A "model attendee" is a persistent attendee, a student who is in attendance for at least 96% of his or her enrolled days during the school year, or an improving attendee, a student whose attendance improved by at least three percentage points from the prior school year. Education One measures the success of a school's model attendee rate by comparing it to the state's rate. The rubric is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The model attendee rate is greater than the state's percentage.	The model attendee rate is within 0-10.0% of the state's percentage.	The model attendee rate is within 10.1-20.0% of the state's percentage.	The model attendee rate is more than 20.0% away from the state's percentage.

Model attendee rates were not released for the 2020-21 school year. Data for chronic absenteeism was released. Chronic absenteeism is the rate of students who have been absent from school for at least 10 percent of the school year, for any reason. The state's percentage was 18.5%. TLJA MS's data was not publicly available at the time of this report. The school receives a rating of **Not Applicable**.

**Closing Achievement Gaps:** Education One utilizes data from the school's most recent state summative assessment to measure growth towards becoming proficient or maintaining proficiency of grade-level standards in reading and math for the lowest performing 25% of students in the school. The rubric is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	Does Not Meet Standard
The percentage of students performing in the bottom 25% becoming proficient or maintaining proficiency is greater than the state's percentage.	The percentage of students performing in the bottom 25% becoming proficient or maintaining proficiency is within 0-10.0% of the state's percentage.	The percentage of students performing in the bottom 25% becoming proficient or maintaining proficiency is within 10.1-20.0% of the state's percentage.	The percentage of students performing in the bottom 25% becoming proficient or maintaining proficiency is more than 20.0% away from the state's percentage.

Data for this sub-indicator was not publicly released and the school receives a rating of **Not Applicable**.

**Language Proficiency for English Learners:** English language proficiency measures whether students learning the English language are on target to develop or attain English language proficiency within six years. Student Growth Percentiles (SGPs) from the WIDA ACCESS 2.0 assessment are used to determine whether students are making adequate growth to meet these targets on an annual basis. The rubric from Language Proficiency for English Learners is as follows:

Exceeds Standard Meets Standard		Approaching Standard	Does Not Meet Standard
The percentage of EL students that met or exceeded growth targets is greater than the state's percentage.	met or exceeded growth targets is	The percentage of EL students that met or exceeded growth targets is within 10.1-20.0% of the state's percentage.	The percentage of EL students that met or exceeded growth targets is more than 20.0% away from the average state's percentage.

Data for this sub-indicator was not publicly released and the school receives a rating of **Not Applicable**.

## Part II: Financial Performance

The Financial Performance section gauges both short-term financial health as well as long term financial sustainability, while accounting for key financial reporting requirements. Part II of this review consists of various indicators designed to measure the overall financial viability of a school. All indicators are noted in the school's Accountability Plan Performance Framework.

Overall Rating	Year 1	Year 2	Year 3
for Financial	2021-22	2022-23	2023-24
Performance	Meets Standard		

Is the school in good financial standing?					
	Exceeds Standard	The school consistently and effectively complies with and presents no concerns in the indicators below.			
Performance	Meets Standard	The school complies with and presents no concerns in the indicators below.			
Rubric	Approaching Standard	The school presents concerns in a minimal number of indicators and may or may not have a credible plan to address the issues.			
	Does Not Meet Standard	The school presents concerns in a majority of the indicators with no evidence of a credible plan to address the issues; or the school requires an Improvement Plan.			

	Accountability Plan Performance Framework Indicators	Year 1	Year 2	Year 3
	Financial Management	MS		
	Enrollment Variance	MS		
	Current Ratio	MS		
Financial Performance	<u>Days Cash</u>	MS		
1 criorinanoc	Debt/Default Delinquency	MS		
	Debt to Asset Ratio	MS		
	Debt Service Coverage	MS		

Financial Management: Education One measures the capacity of the school's financial management by the following characteristics:

- Submission of an annual audit that is timely, complete, and has identified no significant deficiency or weaknesses with the school's financial controls; and
- Submission of quarterly financial statements that are timely, complete, and able to be utilized to assess financial indicators.

These characteristics are observed on a quarterly basis as well as annually when new financial information is provided by the school and the State Board of Accounts (SBOA). Updated information is shared out at regularly scheduled school board meetings each quarter. The rubric for Financial Management is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school meets standard for both the financial audit and quarterly financial reporting	The school meets standard for either its financial audit or quarterly financial reporting	The school does not meet stander for either its financial audit or quarterly financial reporting
requirements.	requirements.	requirements

At the time of this report, TLJA MS had submitted their annual audit for fiscal year 2021. However, the State Board of Accounts has experienced delays in approving audited financials for schools and districts across the state and has yet to approve the TLJA MS audit. The school did regularly submit complete quarterly financial statements that were able to be utilized to assess financial indicators throughout the school year. For these reasons, the school receives a rating of Meets Standard for the 2021-22 school year.

**Enrollment Variance:** Indiana calculates its state tuition support for schools based on the number of students enrolled in September and February of the same school year. Enrollment variance measures the schools ability to create a budget centered on an appropriate enrollment target. The rubric for this indicator is as follows:

Exceeds Standard	Meets Standard	Approaching Standard	<b>Does Not Meet Standard</b>
Actual enrollment is greater than the budgeted enrollment.	Actual enrollment is between 98.0 and 100% of the budgeted enrollment.	Actual enrollment is between 93.0 and 97.9% of budgeted enrollment.	Actual enrollment is less than 93.0% of budgeted enrollment.

According to the Indiana Department of Education, TLJA MS had an enrollment count of 147 scholars as of October 1, 2021. The final enrollment variance was 98.0% based on a budgeted enrollment of 150. Therefore, TLJA MS receives a rating of Meets Standard.

**Current Ratio:** With regard to its current ratio, the school's current assets (cash or other assets that can be accessed in the next 12 months) exceed its current liabilities (debt obligations due in the next 12 months) with a ratio of 6.6 and, therefore, receives a rating of **Meets Standard** on their Accountability Plan Performance Framework for Current Ratio. The rubric is as follows:

Meets Standard	Does Not Meet Standard
The current ratio is 1.10 or greater	The current ratio is less than 1.10

**Days Cash:** Additionally, Education One also calculates days cash on hand as an important measure of a charter school's fiscal health. This indicator shows how many more days after June 30, 2022 the school would be able to operate. The rubric for Days Cash is:

Meets Standard	Approaching Standard	Does Not Meet Standard
Days cash on hand is at least 90.0.	Days cash on hand is between 45.0 and 89.9.	Days cash on hand is less than 45.0.

Currently, TLJA MS has 96.2 days cash. The school is above the desired metric and Meets Standard.

**Debt/Default Delinquency:** This metric is determined by both the auditor's comments in the audited financial statements and contact with the school's creditors. The rubric for Debt/Default Delinquency is as follows:

Meets Standard	Does Not Meet Standard
The school is not delinquent or in default on any outstanding loans.	The school is delinquent and/or in default on any outstanding loans.

In the case of TLJA MS, neither its auditors nor its creditors provided any indication that the school had defaulted on its debt obligations. Based on that summary, the school receives a rating of **Meets Standard** according to its Accountability Plan Performance Framework.

Days Cash on Hand

MS 96.2

AS

DNMS

**Debt to Asset Ratio:** Education One monitors the school's debt to asset ratio on a quarterly basis, reporting out at the school's regularly scheduled board meetings. This ratio indicates the percentage of assets that are being financed with debt. The school receives a rating of **Meets Standard**, according to the debt to asset ratio indicator, with a ratio of 0.15. The rubric for Debt to Asset

Meets Standard	Does Not Meet Standard
The debt to asset ratio is less than 0.90.	The debt to asset ratio is 0.90 or greater.

**Debt Service Coverage:** Education One tracks the school's debt service coverage on a quarterly basis, similar to the other financial indicators. This indicator was not available for the school during the 2021-22 school year. The school receives a rating of **Not Applicable.** 

Ratio is as follows:

# Part III: Organizational Performance

The Organizational Performance review gauges the academic and operational leadership of the school. Part III of this review consists of varion indicators designed to measure how well the school's administration and the school's Board of Directors comply with the terms of their charter agreement, applicable compliance requirements and laws, and authorizer expectations. All indicators are noted in the school's Accountability Plan Performance Framework.

Overall Rating	Year 1	Year 2	Year 3
for Organizational	2021-22	2022-23	2023-24
Performance	Approaching Standard		

Is the school's organizational structure successful?				
	Exceeds Standard	The school consistently and effectively complies with and presents no concerns in the indicators below.		
Meets Standard Performance	Meets Standard	The school complies with and presents no concerns in the indicators below.		
Rubric	Approaching Standard	The school presents concerns in a minimal number of indicators and may or may not have a credible plan to address the issues.		
	Does Not Meet Standard	The school presents concerns in a majority of the indicators with no evidence of a credible plan to address the issues; or the school requires an Improvement Plan.		

	Accountability Plan Performance Framework Indicators	Year 1	Year 2	Year 3

	Special Education Compliance	MS		

#### **GOVERNING BOARD**

**Focus on High Achievement:** Education One expects governing boards to consistently work towards fulfilling the mission of the school and promises of the charter, and to know whether or not students are on track for high-level academic achievement, as evidenced by the following characteristics:

- Board members believe in the mission of the school;
- Agree on the definition of academic excellence (high-level academic achievement);
- Assume ultimate responsibility for school and student success;
- Understand how student achievement is measured in the school;
- Use student data to inform board decisions; and
- Review indicators of student success regularly to measure progress toward school goals.

Characteristics of the commitment to exemplary board governance are observed during attendance of regularly scheduled board meetings, as well as from documentation provided by the chair and board committees. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The governing board complies with and presents no concerns in the indicator characteristics.	The governing board presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The governing board presents concerns in a majority of the indicator characteristics and/or does not have a plan to address issues.

It is evident that the members of the TLJA Network board believe in the mission of the schools they govern, as well as agree on the definition of academic excellence. They strive to ensure that the needs of scholars are met through appropriate academic programming, assuming ultimate responsibility for those successes.

The board is presented with consistent indicators of student success through presentations made by the school leader, the regional director from Phalen Leadership Academy, and Education One to review to measure progress toward school goals. However, it is evident that they rely heavily on those outside of the board to understand how student achievement is being measured and student data is not consistently utilized to inform board decisions. For these reasons, the school receives a rating of Approaching Standard according to its Accountability Plan Performance Framework.

**Commitment to Exemplary Governance:** Education One measures the quality of a governing board through their commitment to exemplary governance, as evidenced by their ability to build and maintain a high-functioning and engaged board, and the implementation of best governance practices. More specifically, exemplary boards exhibit the following characteristics:

- Recruit and maintain a full slate of excellent board members who bring diverse skills, experiences, partnership opportunities, etc.:
- Election of a board chair who can successfully lead the board and engage all members;
- Timely removal of disengaged members from the board;
- Investment in the board's development, through orientation for new members and ongoing training for existing members;
- Clearly defined roles and responsibilities for officers, committees, and board members;
- Employment of a robust committee structure to accomplish board work strategically and efficiently;
- Engagement during meetings through questioning, commenting, etc. based on a comprehensive review of all board materials prior to the meeting;
- Timely communication of organizational, leadership, academic, fiscal, or facility deficiencies to the Executive Director of Education One; and
- Timely distribution of board meeting materials to Education One prior to any publicly held meeting, that includes academic, financial, and organizational updates.

Skills Sets Represented on

the Board

Areas Requiring Further

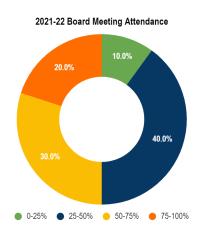

Board Development

Characteristics of the commitment to exemplary board governance are observed during attendance of regularly scheduled board meetings, as well as from documentation provided by the chair and board committees. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The governing board complies with and presents no concerns in the indicator characteristics.	The governing board presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The governing board presents concerns in a majority of the indicator characteristics and/or does not have a plan to address issues.

Throughout the 2020-21 school year, the TLJA Network board marinated a full slate of board members. Education One values a board that represents diverse skill sets. The corresponding illustration indicates the skill sets represented on the TLJA Network board at the time of this report. Current board members represent varied skill sets within business, community engagement endeavors, finance, and legal. Board members not only bring these skills to govern the school, but come from diverse businesses, groups, and partnerships that bring a lot of value and understanding of the community being served. However, the board needs further development in the areas of K-12 education.

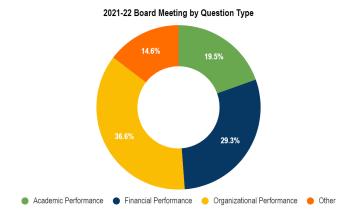

The board was led by Board President Larry Rowland. He has proven to be able to effectively lead the board. However, the TLJA Network board had an average attendance rate of only 65.0% while employing bi-monthly meetings throughout a calendar year. These meetings lasted, on average, 90 minutes. Engagement during public meetings was appropriate for

the corresponding graph. The type of engagement lends itself to board member skill sets, evidencing more comfortability in asking

organizational and financial performance questions compared to academic performance questions.

Mr. Rowland maintained consistent and timely communication, including the discussion of any deficiencies, during regularly scheduled meetings with the Executive Director of Education One. Complete and coherent meeting materials and notes were also provided in a timely fashion throughout the school year.

With concerns in a minimal number of characteristics, the school receives a rating of Approaching Standard according to its Accountability Plan Performance Framework.

**Fiduciary Responsibilities:** Education One measures the quality of a governing board through their commitment to managing resources responsibly, expanding awareness of the program, and raising funds to support the program. More specifically, exemplary boards exhibit the following characteristics:

- Ensure that all members understand the school's finances, and receive necessary training;
- Review financial data regularly and carefully, using it to make sound decisions that protect the school's short- and long-term sustainability;
- Approve a budget each year that allocates resources strategically and aligns with the student performance goals of the school;
- Set and meet realistic fundraising goals through donor engagement to provide additional resources the school needs;
- Require that each board member make the school a top personal philanthropic priority each year; and
- Understand the political context of public charter schools and advocate for policies that promote and support the charter sector.

Characteristics of quality board governance are observed during attendance of regularly scheduled board meetings, as well as from documentation provided by the chair and board committees. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The governing board complies with and presents no concerns in the indicator characteristics.	The governing board presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The governing board presents concerns in a majority of the indicator characteristics and/or does not have a plan to address issues.

Based on submitted board meeting minutes and attendance at regularly scheduled meetings, the board reviewed and approved financial data regularly. The board maintained a balanced budget during the 2021-22 school year. The board relies on their EMO, Phalen Leadership Academies, to provide financial data and analysis.

The TLJA Network board continues to work through setting fundraising goals, both in the form of monetary donations and capital resources, but has yet to truly capitalize on those efforts. As such, the school receives a rating of Approaching Standard according to its Accountability Plan Performance Framework.

**Strategic Planning and Oversight:** Education One believes that an effective governing board determines the strategic direction of a school, understands and respects the balance between oversight and management, and evaluates and holds school leaders and management partners accountable. More specifically, strong boards exhibit the following characteristics:

- Oversee the development of a clear strategic plan that reflects the board's vision and priorities for the school's future;
- Set annual goals for the school, board, and each board committee;
- Organize the board, its committees, and all meetings in order to meet the school's annual goals and strategic plan;
- Ensure the school leader has the autonomy and authority to manage the school while maintaining strong and close oversight of outcomes:
- Collaborate with the school leader in a way that is conducive to the success of the school, including requesting and
  disseminating information in a timely manner, providing continuous and constructive feedback/addressing concerns, engaging
  the school leader in school improvement plans and setting goals for the future;
- Maintain an up-to-date school leader and board succession plan; and
- Conduct a formal evaluation of the school leader, management partner/Education Service Provider (if applicable) and completion of a board self-evaluation, at least annually, and hold each stakeholder accountable for results.

Characteristics of quality board governance are observed during attendance of regularly scheduled board meetings, as well as from documentation provided by the chair and board committees. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The governing board complies with and presents no concerns in the indicator characteristics.	The governing board presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The governing board presents concerns in a majority of the indicator characteristics and/or does not have a plan to address issues.

In April of 2022, the board completed and submitted a self-assessment, evaluating their strengths and areas for improvement, in relation to the school's Accountability Plan Performance Framework. This provided the board with an opportunity to evaluate their performance in order to set goals and plan strategically for the future. At the time of this report the board is scheduling their strategic planning meeting.

The TLJA Network board collaborated closely with the network superintendent, Ms. Starks. Board minutes and attendance at meetings evidenced the school superintendent having a regularly scheduled time during board meetings to report academic and operational updates. Overall, the board has worked throughout the 2021-22 school year to ensure that Ms. Starks had the autonomy and authority to manage the school. The board employed Phalen Leadership Academies to complete a formal evaluation of the school leader to highlight areas of commendation and growth.

While the board is looking to schedule a strategic planning session to address key areas, they currently do not have clear annual goals for the school or the board overall. Also, the current organization of the board and committee structure would not support the board in meeting established goals. Based on these findings, the school receives a rating of Approaching Standard according to its Accountability Plan Performance Framework.

**Legal and Regulatory Compliance:** Education One monitors whether or not a governing board adheres to the legal and ethical duties of care, as well as meets all expectations set forth in the charter agreements and bylaws. More specifically, legally compliant boards exhibit the following characteristics:

- Hold all meetings in compliance with Indiana's Open Door Law;
- Maintain the highest standards of public transparency by accurately documenting meeting proceedings and board decisions;
- Adherence to all terms set forth in the charter agreement;
- Comply with established board policies and procedures, including those established in the by-laws;
- Conduct routine revisions of policies and procedures, as necessary:
- Adherence to all state and federal laws, including requirements set forth by the SBOA and/or IRS; and
- Apply sound business judgment by avoiding conflicts of interest, maintaining liability insurance, observing tax requirements, etc.

Characteristics of quality board governance are observed during attendance of regularly scheduled board meetings, as well as from documentation provided by the chair and board committees. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The governing board complies with and presents no concerns in the indicator characteristics.	The governing board presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The governing board presents concerns in a majority of the indicator characteristics and/or does not have a plan to address issues.

All meetings during the 2021-22 school year were held in compliance with Indiana's Open Door Law and met all state and federal laws. The board maintained the highest standards of public transparency, accurately documenting meetings and board decisions, and adhering to all terms set for in the school's charter agreement. The corresponding graph illustrates the percentage of meetings based on length. Therefore, the school receives a rating of Meets Standard according to its Accountability Plan Performance

# 50.0% 50.0% 50.0%

2021-22 Board Meeting by Length

#### SCHOOL LEADER

**Leadership:** Education One measures the quality of the school's leadership team by looking for the following characteristics:

- Demonstration of sufficient academic and leadership experience;
- Leadership stability in key administrative positions;
- Communication with internal and external stakeholders;
- Clarity of roles and responsibilities among school staff;
- Engagement in a continuous process of improvement and establishment of systems for addressing areas of deficiency in a timely manner; and
- Consistency in providing information to and consulting with the schools' board of directors.

Characteristics of a quality leadership team are observed during regularly scheduled site visits, communication with school leadership, and school leader reviews conducted by the governing board. The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school leadership team complies with and presents no concerns in the indicator characteristics.	The school leadership team presents concerns in a minimal number of the indicator characteristics with a credible plan to address the issues.	The school leader presents concerns in a majority of the indicator characteristics and/or does not have a credible plan to address the issues.

Dr. Brad Yoder served as principal for TLJA MS for the entirety of the 2021-22 school year. Dr. Yoder has served in this role since the middle school's inception. Principal Yoder's vast experience in various aspects of education provides the school with experienced leadership in both academics and organization. The stability of her leadership at TLJA MS has supported the creation of a student centered culture with a low staff turnover rate in key positions and increased enrollment each year.

Dr. Yoder evidenced effective communication with both internal and external stakeholders, specifically Education One and TLJA's EMO, Phalen Leadership Academies (PLA). Through communication and collaboration, clarity of roles and responsibilities of PLA and the school's leadership team were evident to staff. Collaboration included engaging in continuous improvement through regularly scheduled site visits from Education One, site reviews from PLA, and data analysis after receiving new data. Education One commends Dr. Yoder for collaborating with other districts across the state to identify best practices in serving high English Learner populations similar to TLJA MS.

Therefore, the school receives a rating of Meets Standard according to its Accountability Plan Performance Framework.

#### **COMPLIANCE**

**Reporting Requirements:** Education One requires its schools to submit monthly reports consistent with state reporting and what is required of the authorizer to maintain according to legislation. Education One reports the following characteristics to the governing board on a monthly basis:

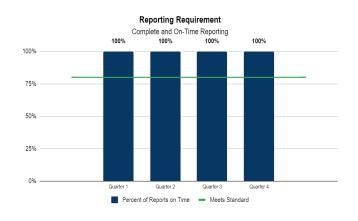

- Submission of all required compliance documentation in a timely manner as set forth by Education One, including but not limited to: meeting minutes and schedules, board member information, compliance reports and employee documentation;
- Compliance with the terms of its charter, including amendments, school policies and regulations, and applicable federal and state laws:
- Proactive and productive collaboration with its board and/or management organization (if applicable) in meeting governance obligations; and
- Participation in scheduled meetings with Education One

The rubric for this sub-indicator is as follows:

Meets Standard Approaching Standard		Does Not Meet Standard
The school complies with and presents no concerns in the sub-indicator characteristics.	The school presents concerns in a minimal number of characteristics and has a credible plan to address the issues.	The school presents concerns in a minimal or majority of characteristics and/or with no credible plan to address the issues.

TLJA complied with all sub-indicator characteristics, including the submission of all required documentation in a timely manner, complying with the terms of its charter, collaborating with and participating in all scheduled meetings with the Education One team. Thus, TLJA receives a rating of **Meets Standard** according to its Accountability Plan Performance Framework.

**English Learner Compliance:** To ensure that laws and requirements are being upheld and students who are English Learners (EL) are being serviced appropriately, Education One conducts an EL compliance check on a quarterly basis, looking for the following components:

- Evidence that ILP goals are established, current, and up to date:
- Case conference meetings occur in compliance with all state and federal laws;
- Evidence of interventions and ILPs are appropriately communicated with the classroom teacher:
- Evidence of high quality interventions and ILPs are implemented:
- Staff to student ratios are adequate for providing services, in accordance with state and federal guidelines; and
- Staff have a clear understanding of legal obligations, current legislation, research, and effective practices relating to the services

The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school complies with all state and federal laws and provides appropriate documentation to evidence meeting each component.	The school presents concerns with documentation and/or compliance in a minimal number of the sub-indicator components but has a credible plan to address the issues.	The school presents concerns with documentation and/or compliance in a minimal or majority of the sub-indicator components and/or provides no evidence of a credible plan to address the issues.

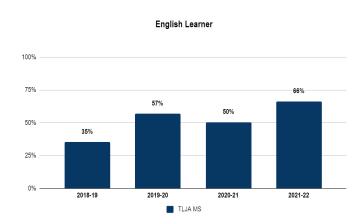

The following table identifies the ratings TLJA MS received from the compliance checks conducted during the 2021-22 school year.

Quarter 1	Quarter 2	Quarter 3	Quarter 4
Does Not Meet Standard	Approaching Standard	Approaching Standard	Approaching Standard

During the 2021-22 school year, TLJA MS served an English Learner (EL) population of 66.4%, which is about 100 students. Historically, the school has seen consistent increases in English Language students since its inception in 2016-17, indicated in the chart.

This increase in student population has led to difficulties in staffing the school to provide adequate services. Services were delayed due to the amount of testing required at the beginning of the year by EL staff. PLA has worked to collaborate with the team at TLJA MS through bi-weekly calls to support them in the transition of reporting all ILPs onto the state's online platform.

The school has worked to provide professional development to all staff members around effective strategies for English Learner students. Moving forward into the 2022-23 school year, the school has a plan in place to ensure all student ILPs are up to date in the online portal, including specific goals and accommodations for each student.

Based on the qualitative and quantitative evidence collected, the school receives a rating of Approaching Standard according to its Accountability Plan Performance Framework.

**Special Education Compliance:** To ensure that laws and requirements are being upheld and students with special needs are being serviced appropriately, Education One conducts a Special Education compliance check on a quarterly basis and looks for the following components:

- Evidence that IEP goals are established, current, and up to date;
- Case conference meetings occur in compliance with all state and federal laws;
- Evidence of high quality interventions and IEPs are appropriately communicated with the classroom teacher and implemented;
- Staff have a clear understanding of legal obligations, current legislation, research, and effective practices relating to services
- Evidence that disciplinary actions are appropriate, legal, equitable, and fair;
- Staff to student ratios are adequate for providing services, in accordance with state and federal guidelines; and
- The percentage of disciplinary actions of SPED students does not exceed the percentage of students identified as SPED.

The rubric for this sub-indicator is as follows:

Meets Standard	Approaching Standard	Does Not Meet Standard
The school complies with all state and federal laws and provides appropriate documentation to evidence meeting each component.	The school presents concerns with documentation and/or compliance in a minimal number of the sub-indicator components but has a credible plan to address the issues.	The school presents concerns with documentation and/or compliance in a minimal or majority of the sub-indicator components and/or provides no evidence of a credible plan to address the issues.

The following table identifies the ratings TLJA MS received from the compliance checks conducted during the 2021-22 school year.

Quarter 1	Quarter 2	Quarter 3	Quarter 4
Approaching Standard	Meets Standard	Meets Standard	Meets Standard

The school worked diligently with PLA to ensure all Special Education paperwork was accepted and filed in the online system. New processes and procedures were established by Quarter 2, evidencing the components required to meet standard in this indicator.

Based on the qualitative and quantitative evidence collected, the school receives a rating of **Meets Standard** according to its Accountability Plan Performance Framework.

#### **Part IV: School Climate**

Education One requires its schools to conduct an annual third-party survey of all stakeholders, staff, students, and families, to gauge the school's effectiveness in carrying out its mission and vision. Results should be used to drive programming, policies, and procedure changes, if necessary. Survey data becomes more reliable based on the participation rate of each stakeholder. Education One's standard for survey reliability is a participation rate of at least 70.0%.

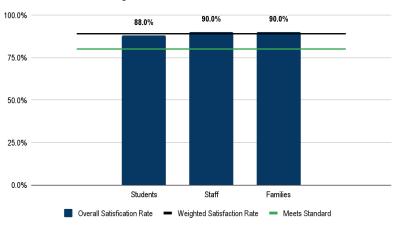

Overall Rating	Year 1	Year 2	Year 3
for School	2021-22	2022-23	2023-24
Climate	Meets Standard		

Meets Standard Approaching Standard		Does Not Meet Standard
The average percentage of parents, students, and staff reporting overall satisfaction is at or above 80.0%.	The average percentage of parents, students, and staff reporting overall satisfaction is between 70.0 and 79.9%.	The average percentage of parents, students, and staff reporting overall satisfaction is less than 70.0%.

The graph illustrates the satisfaction rate of each stakeholder as well as the overall average. With a weighted satisfaction rate of 89.0%, the school receives a rating of Meets Standard.

While survey participation is not a metric that is measured in the Accountability Plan Performance Framework, understanding the survey's population size as well as the sample size is valuable in determining the validity of the overall survey. A school's population size is defined as the total number of possible respondents. The sample size indicates the number of completed responses the survey received. Population size and sample size are listed for each stakeholder in the table below.

#### Percentage of Stakeholders Satisfied with the School

TLJA MS's Survey Participation				
Stakeholder Group	Survey Participation Rate			
Students	149	144	96.6%	
Staff	10	10	100%	
Families	149	130	87.2%	

Education One believes a participation rate of at least 70% validates the satisfaction rate of each stakeholder. Each stakeholder group had a participation rate well over that metric, which supports the satisfaction results of the survey.

#### Part V: Next Steps

Does the school or organization require interventions moving forward?

All schools receive high-quality authorization practices to ensure that any areas of deficiency are not due to inadequate authorization. Education One couples oversight and support to ensure that each school remains autonomous in a structure of high expectations and continuous improvement. The authorizer utilizes a Tiered System of Support Rubric to tier each of its schools on a bi-annual basis at the end of the 2nd and 4th quarter of the school year. Schools can be moved in and out of tiered levels based on need at any point throughout the school year. The areas that Education One considers when tiering its school are:

- Number of years in which a school has been in existence;
- Leadership capacity and experience;
- Staffing of effective and/or highly effective teachers;
- Instructional ratings from regularly scheduled site visits;
- Progress towards achievement in reading and math;
- Growth in reading and math; and
- Subgroup growth in reading and math.

Education One's monitors progress towards goals found in the Accountability Plan Performance Framework through the following supports. The level and quantity of these supports will depend on the tier in which the school has been placed.

- <u>Site Visits:</u> Members of the Education One Team and the school's leadership team conduct classroom walkthroughs to
  identify overall commendations and recommendations to ensure that instructional best practices are being implemented
  throughout the school.
- <u>EL and SPED Compliance Checks:</u> Education One's Assistant Director Community Connections and Compliance observes
  files and implementation of EL/SPED programs of the school to ensure that applicable laws, regulations, and best practices
  are followed with these special populations.
- <u>Academic Support Checks:</u> Education One's Assistant Director of Accountability collaborates with school leadership teams to help them reach more school specific goals, analyze data, and formulate improvement plans to ensure that schools are on track to meeting their accountability goals set forth in the Accountability Plan Performance Framework.
- Reporting Requirements: Schools provide the authorizer with reports based on statutory requirements and other important information regarding staffing, enrollment, board compliance, etc.
- Board Meetings: Members of the Education One Team attend regularly scheduled board meetings of each of its schools to
  monitor board governance indicators and provide status updates to all stakeholders on the school's academic, financial, and
  organizational performance.

#### **School Supports by Tier**

Tier I Supports 2.6-3.0 points	Tier IIa Supports 2.1-2.5 points	Tier IIb Supports 1.6-2.0 points	Tier III Supports 1.0-1.5 points
<ul> <li><u>Site Visits:</u> Quarterly</li> <li><u>Compliance Check:</u> Quarterly</li> <li><u>Academic Support:</u> 3x (Data)</li> </ul>	Site Visits: Quarterly     Compliance Check: Quarterly     Academic Support: Monthly	Site Visits: Monthly     Compliance Check: Quarterly     Academic Support: Monthly	Site Visits: Monthly     Compliance Check: Quarterly     Academic Support: Monthly with Bi-Weekly IImprovement Plan Checks

# TLJA MS Tiered Support Rubric

	Tier I: 3 points	Tier II: 2 points	Tier III: 1 point		
		Organizational			
New School	The school has been in existence for a minimum of 2 years.	The school has been in existence for less than 2 years but is a part of an established network of schools.	The school has been in existence for less than 2 years.		
Leadership	The school leader has been rated as effective and/or highly effective, has experience leading in an Education One school, and engages in a continuous process of improvement.	The school leader meets at least two of the Meets Standard criteria.	The school leader meets one or none of the Meets Standard criteria.		
Staffing	80% of classrooms have effective and/ or highly effective teachers.	70-79.9% of classrooms have effective and/or highly effective teachers.	60.0% or less of classrooms have effective and/ or highly effective teachers.		
	Academics				
Instruction	The school received an average of 3.0-4.0 points during a semester of observations.	The school received an average of 2.5-2.9 points during a semester of observations.	The school received an average of less than 2.5 points during a semester of observations.		
Progress Towards Achievement: Reading	The percentage of students considered on grade level has increased by at least 5% from BOY to MOY.  OR  The percentage of students considered on grade level has increased by at least 10% from BOY to EOY.  OR  The school has reached the APPF goal for achievement.	level has increased by 2.5-4.9% from BOY to MOY.  OR  The percentage of students considered on grade	The percentage of students considered on grade level has increased by less than 2.5% from BOY to MOY.  OR  The percentage of students considered on grade level has increased by less than 4.9% from BOY to EOY.  OR  The percentage of students considered on grade level has decreased from BOY to MOY or BOY to EOY.		
Progress Towards Growth: Reading	The percentage of students meeting growth goals has increased by at least 5% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by at least 10% from BOY to EOY.  OR  The school has reached the APPF goal for growth.	The percentage of students meeting growth goals has increased by at least 2.5-4.9% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by at least 4.9-9.9% from BOY to EOY.  OR  The school is approaching the APPF goal for growth.	The percentage of students meeting growth goals has increased by less than 2.5% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by less than 4.9% from BOY to EOY.  OR  The percentage of students meeting growth goals has decreased from BOY to MOY or BOY to EOY.		
Progress Towards Achievement: Math	The percentage of students considered on grade level has increased by at least 5% from BOY to MOY.  OR  The percentage of students considered on grade level has increased by at least 10% from BOY to EOY.  OR  The school has reached the APPF goal for achievement.	level has increased by 2.5-4.9% from BOY to MOY.  OR  The percentage of students considered on grade	to MOY.  OR  The percentage of students considered on grade		

Progress Towards Growth: Math	The percentage of students meeting growth goals has increased by at least 5% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by at least 10% from BOY to EOY.  OR  The school has reached the APPF goal for growth.	The percentage of students meeting growth goals has increased by at least 2.5-4.9% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by at least 4.9-9.9% from BOY to EOY.  OR  The school is approaching the APPF goal for growth.	The percentage of students meeting growth goals has increased by less than 2.5% from BOY to MOY.  OR  The percentage of students meeting growth goals has increased by less than 4.9% from BOY to EOY.  OR  The percentage of students meeting growth goals has decreased from BOY to MOY or BOY to EOY.
Subgroup Growth: Reading	75-100% of identified subgroups outgrew the same subgroups of the local school district.	50-74.9% of identified subgroups outgrew the same subgroups of the local school district.	Less than 50% of identified subgroups outgrew the same subgroups of the local school district.
Subgroup Growth: Math	75-100% of identified subgroups outgrew the same subgroups of the local school district.	50-74.9% of identified subgroups outgrew the same subgroups of the local school district.	Less than 50% of identified subgroups outgrew the same subgroups of the local school district.

Total Number of Points	Average Points	Tier Designation for July-December 2022
19	2.4	Tier IIa

Overall, 2021-22 was a year of improvement in processes, partnerships, and programming to ensure the success of scholars at TLJA. Education One commends the school for the following:

- Exhibiting a growth mindset through collaborative efforts with Education One and Phalen Leadership Academies as it pertained to instructional best practices and data analysis.
- Closing achievement gaps between identified subgroup populations by meeting various subgroup achievement and growth indicators in mathematics.
- Collaborating with various stakeholders and establishing statewide partnerships to identify best ways to serve the school's specific English Learner population.
- Meeting enrollment targets and maintaining quality staff.

Improvement in the following areas is required for the 2022-23 school year:

- Engage in strategic planning at the board level to set goals surrounding areas of organization, academics, and philanthropic support.
- Continue professional development around the use of instructional assistants to support small group guided reading, interventions, and English Learner accommodations.
- Establish processes where student to teacher ratios are adequate to provide services to all English Language students throughout the entire year, even during times of testing.
- Implement planned processes and procedures to ensure all English Learner and Special Education student goals and accommodations are properly established in the state's online system.
