

TRINE STEM CAMPS

May 2024

What Do We Do?

Trine University has partnered with communities and youth-serving organizations across our region and beyond to provide K-12th grade students and families with enhanced STEM-related camps and programs through the support of Lilly Endowment IYPC funding. We aim to provide comprehensive college prep and social development programs through our engaging STEM camps and activities.

Upcoming events:

- **May 14 - Timothy L. Johnson**
 - STEM Visit
- **May 20 - MSD Career Fair**
 - Available for K-5th Grade Students.
- **May 21 - The Nature School**
 - STEM Visit
- **May 23 - Career Academy**
 - STEM Visit
- **May 24- Success Academy**
 - STEM Visit
- **May 31 - YMCA Week 1**
 - Under the Sea STEM visit
