

McKenzie Brouk says transferring to Trine University as a junior is one of the best decisions she ever made.

“I instantly felt at home the second I stepped onto Trine’s campus; not only with the skating team, but the faculty, staff and everyone I crossed paths with,” she said. “Even when I was at my lowest, everyone around me at Trine was building me up.”

The Dallas, Texas, native went on to earn her exercise science degree at Trine. While attending Trine, she was a member of the synchronized skating and figure skating teams, serving as a captain of the collegiate synchronized skating team from 2020-2022.
