

Trine University Cell Phone Policy Form

In an attempt to avoid distractions, we are encouraging everyone to do not send your hockey player to camp with a cell phone or any electronics. If your camper needs a cell phone or electronic device to call/text home, it will be collected and held by the camp staff at the dorm. Devices will be turned in at check-in on Sunday. Campers will have access to the cell phone every evening when they get back to the dorm to phone home. **Any campers that have a cell phone in their possession will be confiscated and held until the end of camp.**

I hereby agree to allow Trine University Hockey Camp Staff to hold a cell phone/electronic device.

Camper Name: _____

Parent/Guardian Signature: _____ Date: _____
