

Glorious Alma Mater Trine!

Dear Glorious Alma Mater, Trine

Our laud and praise are wholly thine

Since eighteen hundred eighty four

And future cast forever more.

At Indiana's far north reach

By Buckeye State and Wolverine

That junction of the tri-state stood

These hallowed halls of brick and wood.

Through fire and flood and storm and war

Her walls have weathered these and more

And evermore she on will shine

Our Glorious Alma Mater Trine!
