TRINE
UNIVERSITY

Office of Student Affairs
Campus Health Center Information

Services Offered:

Diagnosis and treatment of minor/acute injuries and illnesses, including: respiratory infections, ear infections, skin conditions, burns, minor lacerations, urinary tract infections, etc.

Testing:

Strep, mononucleosis, Covid-19, urinalysis, pregnancy, and glucose

Flu immunizations
Allergy injections
Mental health screening
Referrals for additional care

Most services provided within the Campus Health Center are free to students, faculty, and staff. This excludes specialty services (Cameron Psychiatry, etc.) If a student is referred to outside services or testing, they are responsible for resulting charges. These outside services may include ER/urgent care visits, ambulance transport, prescriptions, blood tests, x-rays, etc.

260-667-5693
trinehealthcenter@cameronhealth.com

Scheduling:
Appointments are required

We recommend scheduling online using the above QR code. A scheduling link is also available on the Trine website and on MyPortal under the "Student" tab. You can also call or email. If scheduling via phone, please leave a voicemail with your name and phone number.

The Campus Health Center does not provide emergency care. Please call 911 for life-threatening emergencies.

The Trine University Campus Health Center provides excellent healthcare for students, faculty, and staff in collaboration with Cameron Hospital. Services are confidential and care providers include a licensed Nurse Practitioner and Certified Medical Assistant.
