

January 7, 2026

To Whom It May Concern:

I am writing to inform you that Dynamic Minds Academy is withdrawing its intent to apply for a charter for the 2026-27 school year with Education One. We plan to apply for charter replication at a future date. Thank you again for your time and support throughout this process. Please let me know if you need anything else from us.

Sincerely,

Samantha Bandy  
Education Director
